INTRO

As a production designer on indie productions, after a first meeting with the director to establish tone and characters, I start by drafting moodboards and colour palettes, then breaking down scripts into set design, props and budgets while creating and sticking to deadlines. As I wait for the locked locations, I start developing ideas for set design while building and coordinating the team. Once the locations (or studio) are locked, and after creating an initial digital survey upon the recces, I can finally work out the useful resources and start blocking ideas. As we gather all the set design items, they're organised by location, ready to be taken away and dressed on set. The props, organised by shooting day. From pre-production planning to post-production clean up, I've been able to develop a comprehensive understanding of the filmmaking process which I would be thrilled to adapt to any production needs and to learn from other experienced creatives.

12 INT. FARMHOUSE, HALLWAY - DAY

> A cacophony of PLEASURED and UNCOMFORTABLE NOISES come fr the bedroom. As they reach their crescendo, they morph in something that resembles a PIG'S SQUEAL.

INT. FARMHOUSE, BEDROOM - DAY

A CLOCK reads 11:05

Gregory and Francis lie disheveled and out of breath on t bed, both only covered by the DUVET. Spencer sits on the nightstand

FRANCIS

Glad we got the chance to catch up.

GREGORY Yeah it wasn't bad.

FRANCIS It takes me back.

GREGORY All the way back to last month.

(beat) Need a shit, be back in a sec.

Gregory exits. Francis sits up in the bed and throws Spend a winning smile.

> SPENCER You want me to say congratulations or something?

FRANCIS

A little something would be nice.

SPENCER

Well done for spreading your legs.

Francis gives him a disdainful look.

Does the mudelle onit

She gets out of the bed and makes her way to the CLOSET reaches in and pulls out a LEOPARD PRINT ROBE that has Michelle embroidered on it.

She puts it on and looks at herself in the mirror. A victorious smile crosses her face.

Gregory re-enters, he is checking his PHONE. He's missed call from Michelle so rings her back.

Blue Rev. (27/03/19)

Francis plays with the back of her hand, not quite

She takes a moment to consider her options and sta spot she had seen Gregory and Michelle run past.

FRANCIS

I'm going to try it. (beat) Talk to him I mean.

SPENCER Just talking?

Francis ignores this.

10

SPENCER (CONT'D) Don't make it easy for him.

A coy smile dances on Francis' face.

EXT. FARMHOUSE, DRIVEWAY - DAY

Francis stands outside the intimidating farmhouse. clutched in her hand. Francis has made an effort w BLOUSE and a small amount of MAKE-UP, clearly appl unpracticed hand. She also has a small SHOULDER BA BANDAGE covers her scratched hand.

> FRANCIS What if she's there.

> > SPENCER

Then you're screwed.

FRANCIS No, no, I'll just... I'll manage.

SPENCER Well if you could manage to ring the doorbell that would be a start.

Just before she reaches for the doorbell Robert s up out of nowhere holding a HAV BALE. He is covere light layer of sweat that would make anyone else l but he pulls off in his farm chic.

Francis scoffs, she doesn't want to talk to him.

SPENCER (CONT'D) Dick is coming-- (over here) FADE IN:

1. EXT. SUBURBAN HOUSE / INT. CAR - DAY

A car parked in the driveway.

KATE (25), a cute good-looking girl dressed in a sweater and a dress, walks towards the car carrying a backpack and

She opens the front door and put a backpack on the floor. She cleans the sit and gets into the front passenger seat and steps on something, looks down. A Barbie doll lies under her foot, it's arm now broken.

Kate sees children's mess on the back seat and on the floor. She tries to fix the doll's arm, but can't. She stuffs it into the glovebox with the rubbish, slams it shut.

From Kate's POV: HUGO (40), a well-built man in a sweater, steps out of the house holding a travel bag. DIANA (6) skips out of the house and takes hold of Hugo's hand, shaking his

Pai, a minha Barbie

(Daddy, I want my doll.)

HIIGO

Não esta no carro?

(Isn't Barbie in the car?)

Kate looks for another doll in the car. There are lots of toys on the floor and seats but no dolls.

Hugo opens a door and helps Diana to get into the back seat and fastens her seatbelt.

Joao (13) wearing headphones and watching something on his iPad, goes towards the car.

HUGO

Joao, vamos. Entra no carro.

(Joao, let's go. Get into the car.)

Joao gets into the back seat beside Kate.

Hugo closes the door and goes towards a trunk, he opens it.
